

provided under a FAR 52.245 Government property clause that remains accountable to the contractor during its use on the contract (such as property used at the contractor's or a sub-contractor's off-site facility) and which is not also subject to the clause at 1852.245-71. The contracting officer shall address any specific maintenance considerations (e.g., requiring or precluding use of an installation calibration or repair facility) elsewhere in the contract.

(6) See 1845.106-70(e).

(c) The contracting officer shall insert the clause at 1852.245-72, Liability for Government Property Furnished for Repair and Services, in fixed-price solicitations and contracts (except for experimental, developmental, or research work with educational or non-profit institutions, where no profit is contemplated) for repair, modification, rehabilitation, or other servicing of Government property, if such property is to be furnished to a contractor for that purpose and no other Government property is to be furnished. The contracting officer shall not require additional insurance under the clause unless the circumstances clearly indicate advantages to the Government.

(d) The contracting officer shall insert the clause at 1852.245-73, Financial Reporting of NASA Property in the Custody of Contractors, in cost reimbursement contracts unless all property to be provided is subject to the clause at 1852.245-71, Installation-Accountable Government Property. The clause shall also be included in other types of contracts when it is known at award that property will be provided to the contractor or that the contractor will acquire property title to which will vest in the Government prior to delivery.

(e) When approved by the Logistics Management Office of the Headquarters Office of Management Systems and Facilities (Code JLG), the contracting officer shall insert the clause at 1852.245-74, Contractor Accountable On-Site Government Property, in lieu of the clause at 1852.245-71, in solicitations and contracts when accountability rests with an on-site contractor. The contracting officer's written request for approval shall include a

determination of costs that will be (1) avoided (e.g., additional costs to the installation's property management systems and staffing) and (2) incurred (e.g., reimbursable costs of the contractor to implement, staff, and operate separate property management systems on-site, and resources needed for performance of, or reimbursement for, property administration) under contractor accountability.

(f) The contracting officer shall insert the clause at 1852.245-75, Title to Equipment, in solicitations and contracts where the clause at FAR 52.245-2 with its Alternate II or 52.245-5, with its Alternate I is used.

(g) The contracting officer shall insert the clause at 1852.245-76, List of Government-Furnished Property, in solicitations and contracts if the contractor is to be accountable under the contract for Government property.

(h) The contracting officer shall insert the clause at 1852.245-77, List of Installation-Accountable Property and Services, in solicitations and contracts that require performance at the center and authorize contractor use of property within the physical borders of the center.

(1) The contracting officer shall insert the provision at 1852.245-79, Use of Government-Owned Property, in all solicitations when Government property may be used by the contractor.

(j) The contracting officer shall insert the clause at 1852.245-80, Use of Government Production and Research Property on a No-Charge Basis, in solicitations and contracts when government property (real property, commercially available equipment, special test equipment, or special tooling) accountable under another contract(s) is authorized for use.

#### **1845.106-71 Plant reconversion and plant clearance.**

The Assistant Administrator for Procurement (Code HS) is the approval authority for any solicitation provision or contract clause that would defer negotiation of costs for plant reconversion plant clearance until after award.
